STUDENT UNION INTERIM RENOVATION COMPLETED

The Student Union is proud to announce that the interim renovation that began last October is now complete. Most of the meeting and lounge areas have new carpet, drapes and paint. The Student Union has a new dance platform, the Old Faculty Dining Room has track lights for art displays and the Rathskellar/Snackbar has an "annex". The Bank has moved to the SUB basement, the Bookstore has new display, storage and work space and the Post Office has a new "annex" and a new work room. The Student Union Office has moved to the basement floor next door to the bank. The Cultural Affairs office has moved from College Hall to be part of the Student Union. Individuals wishing to discuss cultural programs should contact Debbie Shaine, x629, in the Student Union Office.

If you haven't visited the SUB lately, go by and see the changes yourself. It is hoped that the changes will make the Student Union a more pleasant place for every member of the campus community.

ENERGY CONSERVATION TIPS FROM JIM HULL

"Something to think 'BIG' about-- major electric utilities in the contiguous 48 states produced and sold to their customers 174.7 million megawatt-hours of electricity in September 1977. This is an increase of 7.4% over that supplied in September 1976. A theoretical operating reserve of 14.5% existed at the time of the September peak load, 6.1% lower than in September 1976. (D.O.E. news release 2/7/78).

"That's a lot of 'juice' when a megawatt is 1,000,000 watts."

MANAGER-SECRETARY TEAM EFFECTIVENESS SEMINAR PLANNED

Attention Boss-Secretary teams-- want to learn how to develop a better work team? Participate in a two-day seminar entitled "How to Increase Manager-Secretary Team Effectiveness", to be conducted in-house by the Dartnell Institute on April 5 & 6.

For details contact Consuelo Misa x581.

THANKS!

The International Center on Deafness wishes to express appreciation to the Gallaudet College Community for the excellent response to its Talent Data Bank questionnaire. Information thus provided will enable the Center to utilize the interests and expertise of members of the collegiate community in achieving the international outreach objectives entrusted to it by the College.

Gratitude is also expressed for the warm hospitality extended to representatives from Costa Rica during the recent four-week Workshop. We are particularly indebted to the many individuals from virtually every unit of the College who shared their knowledge and experience as speakers on numerous subjects that provided a comprehensive orientation to deafness.

BERNARD BRAGG TO SPEAK AT LIONS MEETING ON CAMPUS

On March 25, Bernard Bragg will present "World Odyssey", a combined lecture-slide-pantomime program about his travels abroad. The program will be held in the Gallaudet Auditorium at 8:00 p.m. For ticket info contact John Yeh x301 or Hubert Anderson x649.
